

HIGHEST-RATED MARTIAL ARTS SCHOOL SINCE 2006!

Something about us

We have a fantastic team of instructors that are passionate about empowering people through martial arts. So much talent exists among them, and we are very grateful to have each member.

Bryson and Melissa Johnson have been training in the martial arts for over 26 years. They began classes as children in Augusta, Georgia. As teenagers, you could often find Bryson and Melissa at the academy training or teaching TaeKwonDo to other students something that they were both passionate about.

Melissa holds a Masters in Sports Psychology. Bryson is a published author and inventor of sports and fitness products.

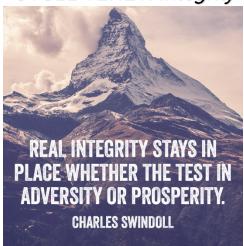

Their academy is the highest-rated martial arts school in the Cary, Apex and Morrisville areas, every belt in their academy is earned, and they believe that the highest purpose of a martial arts education is to improve the student's life.

EMPOWERING THRU MARTIAL ARTS SINCE 2006!

CYCLE TENET: *Integrity*

A NEW YEAR. A NEW BEGINNING.

2021 Marks the 15th year anniversary for JMA.

We have had our share of challenging times to get to this point. There is reason for each of us to be especially thankful and optimistic as our families celebrate the holidays. We are thankful to have such loyal students. We are in the final leg of this "storm" and choose to be stronger because of it.
